Dater Montessori Library Media Center Supply List

2019 -2020 School Year

**Headphones**

**ALL STUDENTS** are asked to bring their own headphones to be used in the library media center as well as the classroom. All headphones should be marked on the headphones, as well as put in a plastic bag with student’s name and classroom number marked on the bag. Headphones are kept in classrooms, therefore if you sent headphones in previous years and they were not returned to you from the classroom teachers, they are probably still in the classroom, third year students should check with their 6-9 teacher.
